

Promote the numismatics of the Euro and the knowledge of the European numismatics, as well among its members than among the general public...

Presentation of the association

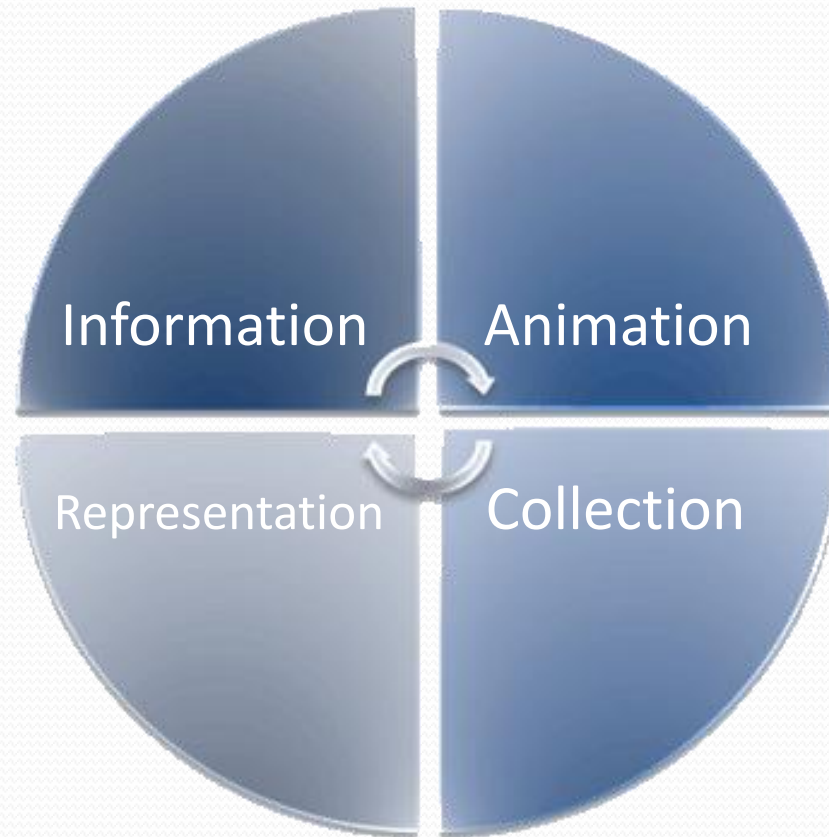

AD€
36 rue Vivienne
75002 PARIS
FRANCE

Association governed by the French law of July 1st, 1901
Member of the French Numismatic Associations Federation
Member of the International Numismatic Council

General presentation

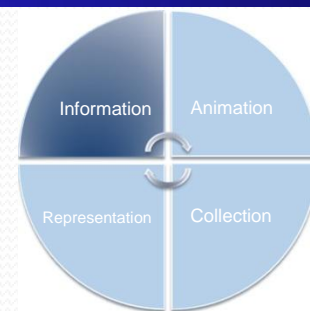

- The largest French numismatic association in terms of members: more than 1,700 members in 2012
- Not a geographically located association, but which deals with a sole subject: the Euro
- An association dedicated to the collectors, offering a full range of services
- An Internet site to communicate information to its members: <http://www.amisdeleuro.org>

Four main missions

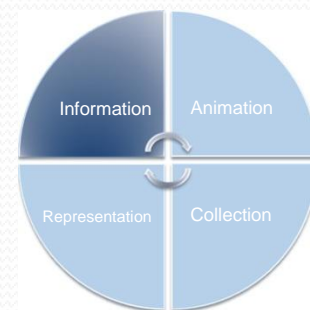

Information

- Heading “Online catalogue” of the website:
 - More than 5,700 pages and 2,000 pictures
 - 8 themes: coins (circulating, BU and Proof sets), official sets, non circulating commemorative coins, varieties, artefacts, starter kits, Euro items, banknotes...
- Heading “Countries”: history, general information about each country
- Heading “Documents”

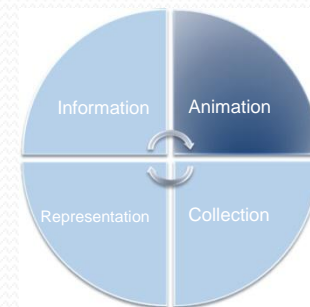

Information (end)

- Heading “Documents”
- Information in the magazine “Bulletin Numismatique”
- Articles in the specialized press

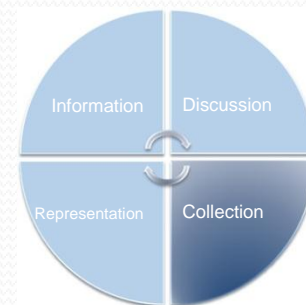

Animation

- The Internet forum: the central members-only discussion's area (more than 49,000 posts)
- The members' directory, equipped with a powerful search engine and an interactive map
- Small ads: a members-only area for buying, exchanging and selling (700 small ads every year)
- Grouped Purchasing between Members

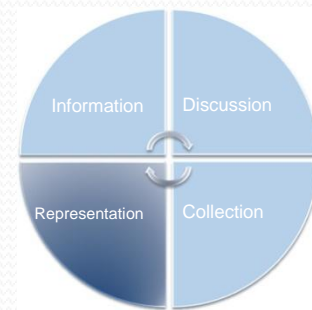

Collection

- Organization of Consolidated Orders
 - 4 to 6 Consolidated Orders a year
 - More than 15,000 items ordered in 2012
- A boxed set, bearing its effigy, issued by the association every year (+ 2 *touristic* medals in 2009 and 2013, and a boxed set of “commemorative banknotes” in 2010)
- Partnerships
 - partner companies proposing discounts on numismatic material
 - Press partnership allowing discounts
